Colorado Public Radio
7409 S Alton Ct.
Centennial, Colo. 80112
Attn: Andi Cimbura, Senior Membership Administrator

Dear Andi;

I would like to thank Colorado Public Radio's Evergreen Partners for helping to plant 2,200 trees through the Colorado Tree Coalition, ReForest Colorado Program. You can be assured that your gift will be effectively used in tree planting efforts throughout the state.

It is our goal to assist in planting the right tree in the right place, protecting the trees we have, and providing current and accurate information about tree care.

Your assistance in ReForesting Colorado is greatly appreciated.

Sincerely,

Vince Urbina
