MOTION TO AMEND THE NOTICE OF CONTEMPLATED ACTION

COMES NOW the Administrative Prosecutor and moves to amend the Notice of Contemplated Action by striking Paragraph 2(A) and substituting in its place the following:

On or about October 6, 1994, you wrote "standing order" flu immunization prescriptions to be used at various locations in New Mexico, without assuring that safe and adequate protocols were in place regarding the giving of the injections, post-injection monitoring and emergency procedures and equipment for adverse reactions.

This motion is made on the grounds that the above language more accurately describes the events that occurred on or about October 6, 1994.

Dated: 2/7/95
